Toronto Region

**PALIARE

BARRISTERS

Dear Colleague:

LINDA ROTHSTEIN, our tireless leader, and managing partner, has the energy and enthusiasm of a Canadian Idol finalist. Last year she served as President of The Advocates' Society. Now she is running for Bencher.

Perhaps you have seen, or at least heard her at one of the many professional conferences that she regularly attends as a speaker. Charmingly direct, whether as a public speaker or a cross-examiner, there is a constant glint in her eye.

You may have met Linda while she was President. She traveled extensively throughout the Province to meet with local members of the Bar and to promote the Society and its programs. Under her leadership the Society presented the *Skirting the Issues* Conference which focused on the stresses facing women lawyers and the need to create better mentoring opportunities for young women advocates.

She is constantly motivated to work hard for the common good. As President, Linda initiated a policy forum on *Streamlining the Ontario Justice System*. This led to a report on the issues and, with the Attorney General, she worked to create the Civil Justice Reform Project.

Why do we urge you to vote for her? While she is a great managing partner, she is too damn energetic, with an irritating propensity to cut the nonsense and solve the problems, which is great as long as someone else is the problem. She is smarter than the rest of us and there is nowhere to hide in our small office. We need your help to direct Linda's talents elsewhere. Please help us send her to Osgoode Hall.
